# Why Join Lambda Chi?

## The Associate Member Program:

When you join Lambda Chi Alpha, you become an associate member. As opposed to being a 'pledge,' associates hold the same rights as active members. This includes voting at meetings, wearing house letters, and even being able to hold officer positions. Additionally, all members do house duties and pull their own weight no matter their class status. Associates will experience a fraternal education program their first semester to teach them about the fraternity, professional skills, and time management.

Alumni visit chapter to give brothers career fair and resume advice

## Our Core Values:

- Loyalty
- Duty
- Respect
- Service and Stewardship
- Honor
- Integrity
- Personal Courage

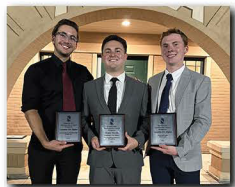

## Our Academics:

Academics are held to a high standard in our brotherhood. In Fall 2023, our chapter achieved a 3.25 GPA and our new members achieved a 3.31 GPA, placing us above the all Greek average. In Spring 2023, our chapter achieved a 3.27 GPA, placing us again above all students, all male, and all Greek GPAs and 6th among fraternities.

We require all new members to attend mandatory study hours for three hours a night on Sundays through Thursdays. Additionally, any active brothers who do not make the house standard 2.6 GPA will be put on mandatory study hours the next semester. All associates will also have a Big Brother who will hold them accountable for grades.

## Our Philanthropy and Volunteering:

Every semester, all members must complete 15 hours of community service. This is not difficult due to our chapter's frequent volunteering events and philanthropic involvement on campus.

Each member must participate in our annual Chicken Benefit Dinner every fall. This is one of the most successful fraternity fundraising projects on campus. Last year we raised \$10,000 for multiple organizations such as the American Red Cross, the local Alzheimer's Association, and our national fraternity philanthropy, Feeding America.

We also host smaller philanthropy events including our Watermelon Bash and brand new Miner Memory Walk in support of the Phelps County Walk to End Alzheimer's Association. We volunteer on weekends at multiple charities and community organizations throughout each semester.

## Our Scholarships:

The Lambda Chi Alpha scholarship program is one of the great ways our alumni donate back to the house. There are multiple scholarships available for members of Lambda Chi Alpha. Notable scholarships include:

- **All-American Scholarship:** 1 \$1000 Award
  - Fall 2024 Freshman (membership not required to apply)
- **Bertelsmeyer Scholarship:** 2 Annual \$10,000 awards
  - Awarded to new members
- **Pete Legsdin Scholarship:** 1 Annual \$700 award
  - Preference for Ceramic, Mining, and Geo.
- **Howard Stine Scholarship:** 1 Annual \$1000 Award
  - For Engineering Management majors
- **Owsley Scholarship:** 1 Annual \$600 Award
  - Any Lambda Chi Alpha member

## 2023 Awards:

- **Scholastic Programming** - Lambda Chi Alpha Fraternity
- **Philanthropy Outreach** - Missouri S&T IFC
- **Outstanding Scholarship Program** - Missouri S&T IFC
- **Outstanding Chapter President** - Missouri S&T IFC

## Our House

Our house completed a \$4.7 million renovation in 2017 and can currently hold 68 members at max capacity. There are many different types of rooms to fit the preference of all members. There are five hot lunches and four hot dinners provided per week by our personal chef. Each member has a parking spot and access to a study lounge, conference room, theatre room and six washer/dryer units.

Housing Option	Pricing (Semesterly)	Amenities
Lambda Chi Alpha Fraternity	\$4,880	Meals, parking, and all amenities
Thomas Jefferson North Double	\$5,178	Price includes cheapest meal plan option and does not include price of parking.
Thomas Jefferson South Double	\$5,230	
Residential Commons Double	\$5,811	

## Our Brotherhood and Athletics:

Brotherhood is one of the largest benefits of being a member of our fraternity. All members value the friendships and connections made while in college as lifelong takeaways. The chapter hosts weekly brotherhood events including sporting events, movie nights, game nights, and social events with other organizations. Additionally, Lambda Chi Alpha competes in all possible intramural sports including football, soccer, baseball, basketball, and many more. We also compete heavily in the annual St. Pat's competition on campus and have recently placed 3rd among all organizations in 2022.
